Privacy Statement

The goal of Saffron Blue Pty Ltd web site is to provide information about our products and provide a forum of purchasing over the internet. While you can access most areas without submitting data, there are instances in which we'll request some information from you (for example, when you contact Saffron Blue for information about products or Barefoot products, or fill out an order form). This allows us to provide you with the most relevant and effective information for your needs. Our policy is to let you know before we collect personal information from you on the Internet.

If you choose to give us personal information - for example, to receive something from us, or to download a demonstration product - it is our intent to limit access to that information.

We may also track the general Internet domains from which people visit us, and what pages they access. We analyse this data for trends and statistics so that we can provide the most effective web site possible, then we discard it.

In some areas, www.saffronblue.com.au may include links to other web sites. Note that we do not review the privacy practices of those sites, or guarantee the privacy of information you enter outside of www.saffronblue.com.au.
